This letter is in response to an FEC letter inquiring about our Committee's February 2011 monthly report.

In a letter dated February 1, 2012, Ms. Nicole Miller, Senior Campaign Financial Analyst, Reports Analysis Division, indicated that the Committee had checked an incorrect fixed percentage for allocated expenses on Schedule H4 of the Committee's 2011 Mid-Year report. We have corrected the percentage, now using a 64% - 36% split, and we filed an amended 2011 Mid-Year report on February 6, 2012.

Ms. Miller's letters also suggests that the Committee might have to reimburse its nonfederal account for overpayments made in 2011 because we used the incorrect allocation percentage. We do not believe we should be required to reimburse our nonfederal account for the overpayments, because we already made transfers from our federal account to our nonfederal account amounting to more than the total of the overpayments. Our response to another letter from Ms Miller, dated February 1, 2012 re the Committee's February 2011 monthly report, provides a detailed explanation of our reasoning as well as supporting information.

Respectfully submitted,

Nadja Z Golding, Treasurer

Fairfax County Democratic Committee
